PO Box 44
BROOME WA 6725

We the residents of Broome request the Shire of Broome reject the rezoning of Lot 500 and Part Lot 350 Kavite Road from Environmental Cultural Corridor to Industry for the following reasons:

The area is zoned Environmental Cultural Corridor to provide for major open space areas within the town for fauna and flora habitats, aboriginal heritage and cultural areas, conservation of the natural environment, major drainage or aquifer recharge areas and outdoor public recreation. These lots should remain for the aforementioned purposes as their importance has increased due to the ongoing loss of vegetation in the Town of Broome.
